

## Auditorium Chairs Catalogue 2015/2016

## Promesa Classic Bench

The Classic Bench is a conference bench with esthetic look and a durable welded frame. Classic Benches are available with or without armrests. Benches can be joined together into one set consisting of maximum 18 seats. The benches may be with Half Loop Armrests or Loop Armrests. In the offer (pages 8-12) there is a great variety of fabric types and colors as well as many different frame colors to choose from. The outside part of the back of a chair may be plastic or upholstered. The following prices, presented in the chart, apply to one seat in the bench with black frame (RAL 9005) and no armrests. The number of armrests in a bench is one armrest bigger than the number of seats in it. There is also a possibility to assemble a shelf under the seat.

The offer includes two modular widths of a single seat of a bench:

- Narrow (530 mm) - 2, 3, 4, 5 and 6 person benches;
- Wide (580 mm) - 2, 3, 4, 5 person benches;

Height of the bench - 820 mm. Depth of the bench - 600 mm.

Total width of the bench:	Narrow	Wide
2 person	1110 mm	1210 mm
3 person	1640 mm	1790 mm
4 person	2170 mm	2370 mm
5 person	2700 mm	2950 mm
6 person	3230 mm	
Bench	Fabric "Suedine"	Fabric "Sunrise"
Classic without armrests with plastic back (Narrow)	21 €	24 €

Promesa Classic Wide bench with 'loop' armrests, shelf and fabric back.

## Promesa Classic Single Chair

The Single Classic Chair is a conference chair with esthetic look and a durable welded frame. The chairs are available with or without armrests. In the offer (pages 8-12) there is a great variety of fabric types and colors as well as many different frame colors to choose from. The outside part of the back of a chair may be plastic or upholstered. The following prices, presented in the chart, apply to one chair with a black frame (RAL 9005) and with no armrests. There is also a possibility to assemble a shelf under the seat.

In the offer of the Single Classic Chair two widths are available (these are module widths, total width is 5cm wider):

	Module width	Height	Depth
- Narrow	530 mm	820 mm	600 mm
- Wide	580 mm	820 mm	600 mm

Moreover the chairs can be easily stacked and stored. The chairs can be joined together with plastic or metal connectors.

\* Prices given above are net prices.

## Other Services

Please feel warmly invited to take advantage of additional services such as:

- Upholstery of used chairs.
- Powder painting and renovation of used frames.
- Welding of damaged frames of chairs.
- Upholstery of new chairs with the preferred fabric.

As a manufacturer we have at our disposal all needed technological processes such as: powder painting, welding workshop, upholstery workshop, rollers, and other needed tools and equipment. Since each order is different, we encourage you to contact us. We will be glad to prepare for you an individual offer.

---

Here are a few photos from our workshop.

---

## Upholstery Services

In response to different needs of our customers, we offer the service of both our chairs upholstering, and chairs from other manufacturers.

We offer a wide range of finishing materials as well as different thickness and density of the foam.

On request upholstery service can include removing first the old upholstery.

Price of service for chairs from other manufacturers is estimated individually.
